# We'll look after everyone

Whether the funeral is to be in our chapel or held at another venue we can take care of all your catering needs. We have different menus for you to choose from, and once you have made your decision, we'll take care of everything else.

Because we cater, you and your family will be free to mix with friends and guests without having to play host. Even better, once you have finished you are free to leave, we will take care of the cleaning up.
